

Specialty Clean CD Cleaner & Degreaser Instructions

Vea la página 3 para Español (See page 3 for Spanish)

CD

CD is a concentrated cleaner that removes grease, oil and dirt from paver surfaces. This fast-working, heavy-duty product dissolves stains and rinses clean with water. Use on pavers, concrete, brick, masonry, wetcast and colored/stamped concrete.

COVERAGE

Spot treatment—coverage will vary. Do not use on sealed surfaces.

CLEAN-UP

Thoroughly rinse tools with water until clean.

FEATURES

- Removes grease, oil and dirt
- Rinses clean with water
- Heavy-duty spot treatment

STORAGE

KEEP FROM FREEZING. Keep in a well-ventilated, cool & dry place.

EASY 4-STEP PROCESS

1

DILUTE

- Dilute 1 cup CD into 1 gallon of warm clean water.

2

APPLY

- Apply to surface and allow solution to penetrate stain.
- For stubborn stains, do not dilute, use product at full strength.

3

SCRUB

- Scrub surface with a stiff bristle brush.

4

RINSE

- Rinse with water.
- Repeat if necessary.
- SRW general purpose cleaners should be used prior to sealing.

Test this product in a small discrete area before performing a full installation.

WARNING: Contains D-Limonene. Harmful if swallowed. Irritating to skin and eyes. For eye contact, flush with water for at least 15 minutes. Wash exposed skin with warm, soapy water. If irritation persists, see a physician. If ingested, DO NOT INDUCE VOMITING. See a physician immediately.

IMPORTANT NOTICE: Since the use of this product is beyond the control of the manufacturer, no guarantee or warranty, expressed or implied is made for the merchantability, fitness or suitability for the use of this product or otherwise extending beyond the description hereof except the obligation to replace that product for portion of shipment proved defective. Furthermore, nothing contained herein shall be construed as a recommendation to use any product in conflict with existing laws and/or patents covering any material or use. Liability is limited to product replacement only.
